

# ESSENTIAL INFORMATION UNITED ARAB EMIRATES

## PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of one (1) blank visa page for entry and exit stamps.

**A no-fee visitor visa is required for U.S. and Canadian passport holders for entry into the United Arab Emirates.** Visas are valid for stays of up to 30 days and are currently being offered free of charge on arrival at all points of entry (subject to change without notice). Guests need not obtain a visa prior to departure.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at [visacentral.com/abercrombiekent](https://visacentral.com/abercrombiekent) or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

## YELLOW FEVER VACCINATION

A yellow fever vaccination is only required to enter the United Arab Emirates if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

## LOCAL HEALTH & SAFETY PROTOCOLS

Bringing Medications into the United Arab Emirates

Please note that the United Arab Emirates strictly controls the import (even for personal use) of some prescription and over-the-counter medications which are commonly used in the United States. We suggest that you consult the UAE Ministry of Health & Prevention online at [Issue of Permit to Import Medicines for Personal Use | Services | Ministry of Health and Prevention - UAE \(mohap.gov.ae\)](#) for further information.

## CASH & CREDIT CARDS

Cash transactions should be made in local currency. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns but may be limited in rural areas.

## OF SPECIAL NOTE: ALCOHOL IN THE UNITED ARAB EMIRATES

Alcoholic beverages are widely available for non-Muslim adults in most high-end restaurants and hotel bars. However, the possession and/or consumption of alcohol in public outside of these establishments is prohibited and punishable by law.

## PACKING LIST

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

### Clothing

Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Smart casual attire is appropriate for evenings. Formal clothing is not necessary. At Al

Muntaha, the dress code in the dining room is smart elegant. Gentleman should wear a collared shirt, full-length trousers and closed shoes.

Temples, mosques and other religious sites require conservative dress. Both sexes should cover their arms, legs and shoulders (women should pack a scarf for this purpose.) Wear or carry a pair of socks when sightseeing, since shoes must be removed when visiting certain religious sites.
