

ESSENTIAL INFORMATION WILDLIFE ADVENTURE BY LAND & SEA: AROUND THE WORLD BY PRIVATE JET MAY 19 – JUNE 11, 2025

REVIEW YOUR PASSPORT

Your passport needs to be valid beyond December 11, 2025. For this journey you need at least 12 (twelve) completely blank visa pages available in your passport for entry and exit stamps.

U.S. passport holders who frequently travel internationally may be able to obtain a second passport, which is valid for up to four years. This would allow you to travel with one passport, while the second may be submitted to obtain any required visas for your next trip abroad.

Please be sure to travel with the passport you provide to A&K, as it will be used to secure arrangements on your behalf. If you plan to travel with more than one passport for any reason, please notify A&K.

SECURE YOUR VISAS

U.S. and Canadian passport holders must obtain an **electronic visa (eVisa) for Brazil and an Electronic Travel Authority visa (ETA) for Seychelles prior to departure.**

A&K provides a concierge service through our partner, Pinnacle TDS, to facilitate the procurement of these required visas. Pinnacle TDS can also assist you with information on the steps required for obtaining a second passport and process the application on your behalf. You may call them at 888 838 4867, visit them online at [Pinnacle TDS](#) or email AandK@pinnacletds.com for specific instructions.

Tourist visas for **Palau, Indonesia and Nepal** will be obtained for you separately by A&K; you need not apply for them on your own.

Visas are currently not required for U.S. or Canadian passport holders for any other destination visited on this journey.

If you are not a citizen of the United States or Canada, please consult the nearest diplomatic or consular office of the countries you will be visiting for information on necessary documentation you need to enter their country.

REGISTER YOUR JOURNEY

We recommend that you register with your nearest embassy or consulate for the destinations included in your journey. U.S. citizens can register through STEP, the Smart Traveller Enrollment Program (step.state.gov/step). Canadian citizens can enroll in Registration of Canadians Abroad at travel.gc.ca/travelling/registration.

YELLOW FEVER VACCINATION & MALARIA PREVENTION

Check with the Centers for Disease Control and Prevention (cdc.gov/travel) or the World Health Organization (who.int/en) for the latest on required and recommended vaccines for your destination.

A yellow fever vaccination is required for this journey. You must carry an International Certificate of Vaccination provided by your doctor. Without this, you may be denied entry. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the countries that you are visiting.

The CDC and WHO websites also list some destinations visited on this journey as risk areas for malaria transmission. We strongly recommend that you speak with your doctor or travel clinic regarding the itinerary, your individual risk assessment and options for mosquito bite prevention and antimalarial drugs. Please fill any prescriptions before you depart, as you will not be able to obtain these medications while travelling.

You'll want to visit your doctor or local travel clinic a couple of months before departure to allow time for any vaccinations to take effect or to fill any prescriptions.

Carry your prescriptions and over-the-counter medications in their original containers in your carry-on luggage. Pack a simple first-aid kit along with medicines for motion sickness and mild upset stomach. As a precaution, use only bottled water and avoid foods from street vendors.

Insurance Requirement for Private Jet Journeys

Due to the remote locations featured, A&K requires guests hold medical insurance in the amount of \$25,000 per person and \$100,000 per person in emergency evacuation/repatriation insurance for Private Jet Journeys ("Minimum Coverage"). Guests will be required to provide evidence of the Minimum Coverage at time of final payment. A&K's Guest Protection Program through Allianz for Private Jet/Inspiring Expeditions includes both medical and emergency evacuation cover at the required levels but guests are encouraged to secure insurance through any provider as long as the policy includes the Minimum Coverage. Please note emergency evacuation insurance provides benefits for the costs associated with covered emergency evacuation and repatriation up to the limits of the respective plan; however, it does not guarantee the timing, method or mode of such evacuation and repatriation, which is subject to weather, location and other conditions or variables outside of A&K's control. Please feel free to reach out to your A&K Travel Consultant should you have questions and to discuss your options.

KEEP CONNECTED

While most smartphones work overseas, you might need to turn on international roaming service before you travel. Contact your carrier for information on coverage and voice and data plan options while travelling abroad.

GETTING ONLINE

Wi-Fi speed and coverage on board the private jet is very limited and will vary depending on location. Many hotels and public places have Wi-Fi and you'll usually be able to stay connected throughout your journey, although Internet access may be poor to nonexistent in remote destinations. Note that some countries block access to social media sites or otherwise impose restrictions on what content you can view or send online.

TIME ZONES

Many websites and smartphone apps allow you to check time zones for specific destinations. We recommend timeanddate.com/worldclock. Upon arrival, the time on most smartphones will automatically adjust to the local time.

MONEY MATTERS

We recommend travelling with some cash, and at least two different major credit cards from different payment networks, so you have backup if your card is not accepted or lost. Contact your bank and credit card companies to let them know where and when you'll be travelling, as well as confirm any foreign transaction fees. When carrying cash, try to travel only with recently issued currency in smaller denominations; many merchants overseas won't accept wrinkled or torn bills. Only exchange currency at authorized outlets such as currency exchanges, ATMs or hotels and save receipts, as they may be required for exit.

KEEP VALUABLES SECURE

We strongly recommend leaving valuables such as jewelry at home as A&K cannot be responsible. Use safes where available to secure valuable items such as passports, or else always carry them on your person.

Replacing a lost or stolen passport is much easier if you have a copy on hand. Pack a photocopy of your passport's personal information page with your luggage, and keep a photo of it on your smartphone.

We recommend weather.com to check the forecast for your journey.

PACKING LIST
